## AMENDED IN ASSEMBLY APRIL 15, 2013 AMENDED IN ASSEMBLY APRIL 2, 2013

CALIFORNIA LEGISLATURE—2013-14 REGULAR SESSION

## ASSEMBLY BILL

No. 409

Introduced by Assembly Member Quirk-Silva (Coauthors: Assembly Members Fox, Jones-Sawyer, Levine, and Weber)

February 15, 2013

An act to add *and repeal* Section 69785.5-to *of* the Education Code, relating to student veterans.

## LEGISLATIVE COUNSEL'S DIGEST

AB 409, as amended, Quirk-Silva. Student veterans: services. (1) Under

*Under* existing law, the segments of the public higher education system in the state include the University of California, which is administered by the Regents of the University of California, the California State University, which is administered by the Trustees of the California State University, and the California Community Colleges, which is administered by the Board of Governors of the California Community Colleges.

Existing law authorizes the California Community Colleges and California State University, and encourages the University of California, to coordinate services for qualified students who are veterans or members of the military by clearly designating military and veterans offices and individuals to provide specified services.

This bill would require the *Board of Governors of the* California Community Colleges and the *Trustees of the* California State University

AB 409 — 2 —

to convene, and would encourage the *Regents of the* University of California to participate in, a task force to develop a report relating to student veterans' transition to postsecondary education, as specified. The bill would also require the California Community Colleges and the California State University to complete the report to be completed on or before January 10, 2015, and to provide that a copy be provided to the Governor and the Legislature on or before that date. These provisions would be repealed on January 1, 2019.

To the extent this bill would impose new duties on community college districts, it would constitute a state-mandated local program.

(2) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: yes no.
